### Port Security Information Bulletin 01-2003

July 24, 2003

#### Potential Terrorist Use of Official Identification, Uniforms, or Vehicles

1. On July 23, 2003, the Department of Homeland Security released a DHS Homeland Security Information Bulletin. This most recent information bulletin provides informative details that is meant to advise the owners and operators of the nation's infrastructure of the possible use by terrorists of official identification, uniforms, or vehicles to gain access to sensitive facilities for purposes of planning or carrying out attacks.

2. This information is accessible from MSO San Diego's web page or directly from the Department of Homeland Security's web page link below.
